

# Early Modern Feminisms

Series Editor: Robin Runia, Xavier University of Louisiana  
editor of *The Future of Feminist Eighteenth-Century Scholarship: Beyond Recovery*

Early Modern Feminisms seeks to publish innovative readings of women's lives and work from the years 1500-1800. In addition to highlighting examinations of women's literature and history, the series provides scholars an opportunity to emphasize new approaches to the study of gender and sexuality with respect to material culture, science, and art, as well as politics and race.
